

Summer Sun Safety Craft

Color, cut, and paste the pieces together to create a cute sun safety tips craft! Kids can trace each tip to help improve handwriting skills while learning important sun safety tips!

Sun Safety Tips

Wear sunscreen

☀ Put on sunscreen before going outside to help protect your skin from sunburn.

Drink water

☀ Sip water often to keep your body hydrated and cool.

Cover up

☀ Wear a hat, sunglasses, and light clothes to help block the sun from your skin.
